## THE GREAT CAMPOUT CAMP

PITCH A TENT AND ROLL OUT A SLEEPING BAG.... we're going camping -

right at our own school! We'll enjoy all the classic camping fun: fishing and birdwatching, hiking and tracking animals, singing silly campfire songs and putting on skits, even playing with flashlights in the tent. In the afternoons we'll stay cool splashing around at the "lake." And, at

the end of the week, we'll celebrate with a big campfire cookout, complete with s'mores! So, grab your pack and come on out - we'll save you a spot in the tent!

## SURVIVOR CAMP: MMS ISLAND

**JUNE 29**  
**- JULY 3**  
Michelle & Carrie

READY TO TEST YOUR SURVIVOR

SKILLS ON MMS ISLAND? Once you've landed on the beach, we'll divide into tribes, where you'll get a buff, build a shelter, paint your tribe flag, and size up the competition! Each day, tribes will be challenged by group obstacle courses and life-size puzzles. You'll have a chance to search for the hidden Immunity Idol, see if you can survive a gross eating challenge, and try to help keep your team safe from losing points at Tribal Council. We'll play in the sand and dip in the "ocean" to stay cool in the afternoons, and enjoy a MMS Island buffet blowout on Friday! Come see if you have what it takes to outlast all the rest on MMS Island!

## CRAZY KID CONCOCTIONS CAMP

**JULY**  
**6 - 10**  
Rachel & Michelle

PUT YOUR CREATIVE CAPS ON...

and get ready to create the Craziest Kid Concoctions!

We'll stretch the slimiest slime, make the goopiest goop, make mesmerizing magic milk, and mix dry ice bubble potion! We will also have fun with splatter painting, sand art and more! Every day we'll keep our hands busy at our outrageous orbeez station and keep cool in our bathing suits with afternoon water play!

**WATER, WATER & MORE WATER!!!**

Do you like pools, sprinklers, super soakers, water balloons and more??? Grab your swim suit, towel, squirt gun and goggles and join us for a wet 'n' wild week of water games and activities! We'll stay cool in the hot July sun by plunging down the giant water slide, playing water limbo, squirt gun Marco Polo, digging water trails, making water balloon parachutes, playing squirt bottles games and more! Finally, we'll end the week with an epic water balloon battle! Want to dry off and relax for a while? There will be daily arts and crafts, games and activities for everyone to enjoy. The last day of camp will include a pizza lunch party with a surprise treat! We hope you'll join us for a splashing good time!!!

## CRAZY CREATURES CAMP

**GET A LITTLE CRAZY** this week

with unusual creatures that can be made with your child's imagination and some unusual art materials! Campers will create Crazy Creatures using marshmallows, vegetables, recycled materials, and even turn themselves into Crazy Creatures! Additional fun is to be had with edible creature snacks and fun games. If you are **CREATIVE** and love **CREATURES**, then this is the camp for you!

## CAMP KIDS GOT TALENT!

**STEP ON STAGE AND SHOW US WHAT'CHA GOT!**

Take a dive into the dress-up bin, get creative making props, and enter "stage left" to join the best show all summer! Want your moment in the limelight but haven't discovered your talent yet? No worries! Our jr. helper talent coaches will help you find your place to shine! Come try your hand at magic tricks, learn how to mime, grab the karaoke microphone and sing your favorite tune, or pull in a partner and dance your hearts out! We'll practice and have mini performances everyday, in preparation for the Big Show on Friday - when we'll kick back with some popcorn and watch our talented performers!

During "set breaks" we'll dance through the sprinklers and enjoy some show-stopping snacks! So, step into the spotlight and get ready for stardom!

## TOP SECRET SPY CAMP

**AUG 3-7**

Cassidy

**ATTENTION ALL SECRET AGENTS:**

Your presence is requested for a Top Secret mission! Your mission, should you choose to accept it, will include fun escape challenges and training activities involving accuracy, speed, and strength. We will also be solving mysteries which will require you to decipher secret messages, escape from obstacles, and even create your very own spy kit! Put on your thinking cap and super spy skills and join us... you won't want to miss out on this week of TOP SECRET fun!

## JR. CHEF COOKING CAMP

IF YOU LOVE FOOD - THEN THIS IS  
THE CAMP FOR YOU! With aprons on

and timers set, we'll get to stirring and shaping, beating and baking, cutting, and cooking our way through a delicious week of camp. We'll try our hand at blind taste tests, make art out of food, and play in the "MMS Kids' Cafe!" After trying out a new recipe every day, we'll have an extra tasty lunch on the last day and everyone will get to concoct their own special sundae with our homemade ice

cream! When it gets too hot in the kitchen, we'll cool off with some water play and relax with friends. Bring your appetite and join us for a week of fun with food!
